ABOUT US

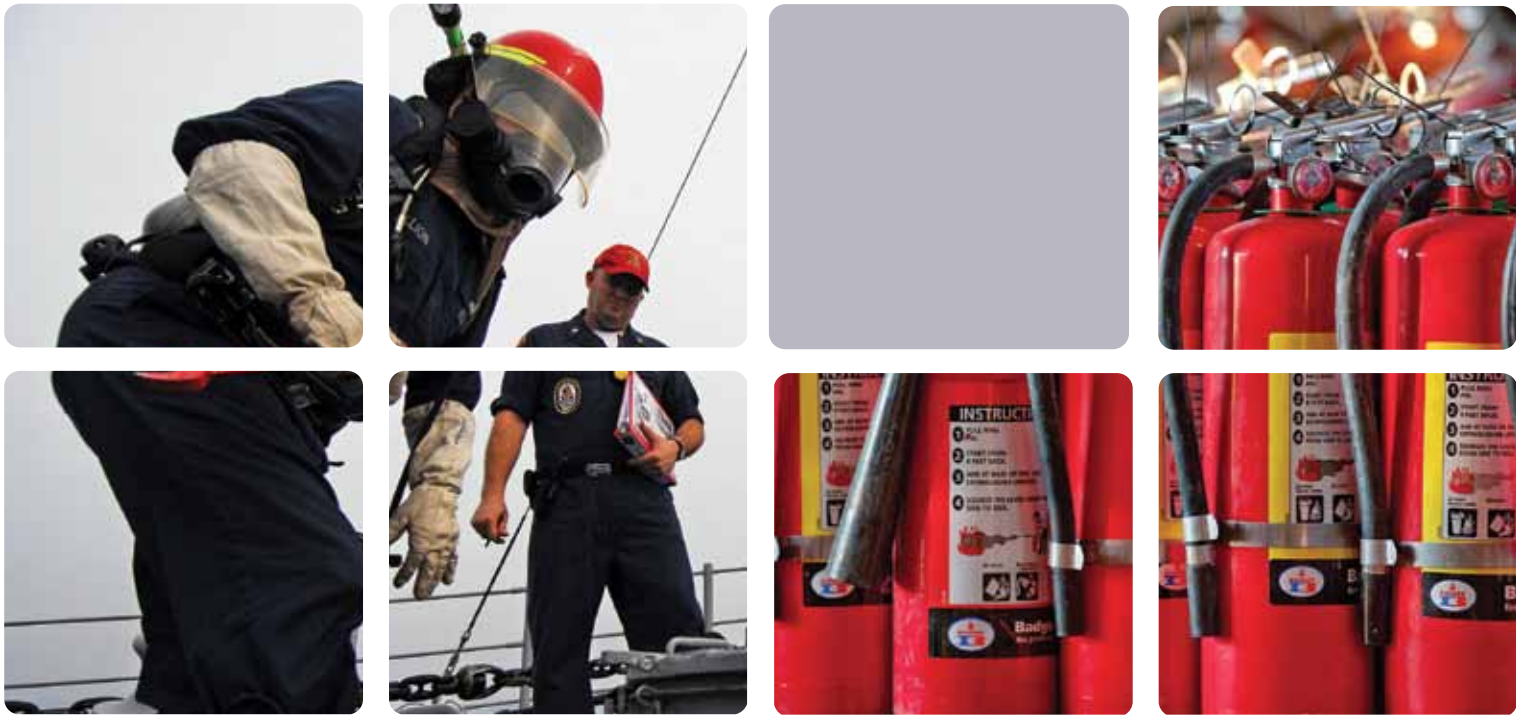

We are well experienced oilfield and supply company in the Sultanate of Oman offering a total package service. We purchase, stock and sell thousands of technical articles from manufacturers worldwide.

Using an integrated quality assurance management system, we provide our clients with the latest advancements in supply chain management. By implementing an open system, a high degree of flexibility is achieved. We consider our clients and suppliers as partners and follow a policy of long-term relationships.

BUSINESS STRATEGY

- Procure, stock and market a wide range of world class products.
- Serve customers through prompt delivery of quality products.
- Reach out to customers in remote areas where there is a need for specialized procurement.

SERVICES

Service & Re-Certification of All Types of Fire Extinguishers

With an advanced refilling & servicing machineries from Europe, distinguished service quality is ensured throughout the process. All types of fire extinguishers are serviced as per manufactures instruction and repair works are carried out with original spare parts.

Design & Installation of Fire Fighting system

Having understood the importance and precision in fire fighting installation, a group of professionals are assigned to carryout designing and installation of fire fighting systems according to the legal requirements.

Calibration of Safety Equipments

Our Engineers are well trained to undertake calibration and re-certification works of safety equipments such as gas monitors, fixed detection systems, noise meters, vibration motor, water sampling devices, radiation monitors etc in accordance with legal and manufactures standard.

Refilling, Testing and Re-certification of SCBA (Self Contained Breathing apparatus)

A modern workshop facility with advanced breathing air compressor and original spare parts is available for servicing, testing and recertifying of SCBA as per the industry standards.

Inspection & Re-certification of Lifting Equipments & Gears.

The company is associated with recognized third party inspection parties throughout the middle east for a comprehensive lifting equipment& Gears Inspection and re-certification.

Tubular Inspections and Magnetic Particle Inspection.

We also undertake the complete inspection works as per the API standards for all Rig Equipments including mask, Rig carrier, Handling tools, BOP etc

Pressure Testing

All pressure containing systems will be inspected and witness test organized through our partners all over Middle East

Hydraulic Services

A Complete Range of products with crimping facility is available to undertake all kind of hydraulic requirements in the oil and gas Industry.

HSE Consultation

A Team of HSE professional with international qualification & recognitions are engaged to provide consultation services to the oil and gas industry at all levels. This includes but not limited to the following:

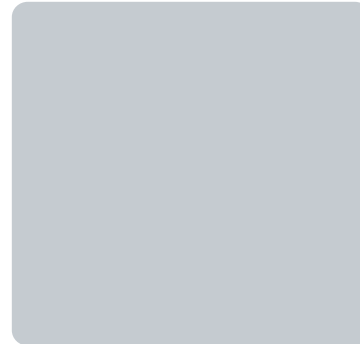

- Development and Implementation of comprehensive HSE management system in accordance with several recognized models such as HSG 65, OSHAS 18001, ISRS7, ILO etc
- Comprehensive HSE Management system audit
- Technical audit of the rigs & hoists
- Comprehensive tracing management including Development of requirement matrix, development of course material, poster campaigns, arranging courses, maintaining course matrix and monthly training gap reports.

Equipment Rentals

We have a variety range of equipment for rental as follows:

- Breathing Air Cascade System
- H2S Fixed Detection System
- Diesel Engine Generators(Low Noise)

COMPETENCE

There is an extensive in-house database and a continuously growing network of potential suppliers. We have experience in all aspects of technical procurement in the oil and gas industry. It is a global company, sourcing and purchasing on a world-wide basis.

PROCEDURES AND PROCUREMENTS

In the role as an intermediary, we maintain standards equal to those of its suppliers and clients. Therefore, the company assures its partners a superior quality supply process.

Communication

Technical documentation is provided with quotation as support and clients are able to obtain additional advice from our engineers.

Active Orders

Orders are clearly defined and remain active. Pending orders are updated regularly and the clients are advised accordingly. A computerized tracking and tracing system is in place.

Deliveries

A close watch is kept on delivery times. Orders can be turned around and will be 12 - 24 working hours.

Inspection

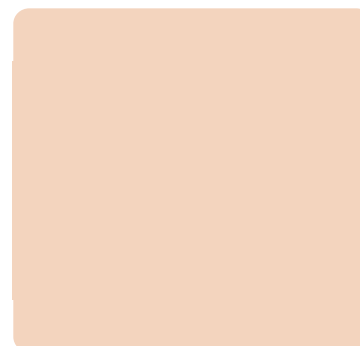

An inspection team physically checks all material, discrepancies are identified and material replaced before shipping to the end destination.

End Control

After inspection, material is properly packed in accordance with the mode of transportation chosen. Certification requirements are reviewed. Clients are advised of shipping dates.

PERSONAL PROTECTIVE EQUIPMENT

PROTECTIVE CLOTHING
HEAD AND FACE PROTECTION
RESPIRATORY PROTECTION
HANDS AND ARM PROTECTION
SAFETY FOOTWEAR

EMERGENCY EQUIPMENTS

FIRST AID KITS
STRETCHERS / HEAD IMMOBILIZER
EMERGENCY EYEWASH AND SHOWERS
OXYGEN RESUSCITATORS
EMERGENCY ESCAPE SETS

WORKING AT HEIGHT

SELF RETRACTING LANYARDS (SRL)
HARNESSES
LADDER CLIMBING SAFETY SYSTEMS
ROPE GRABS AND VERTICAL FALL ARREST
CONFINED SPACE SYSTEMS

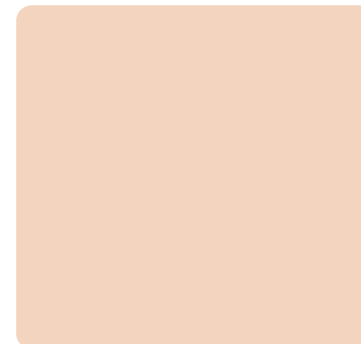

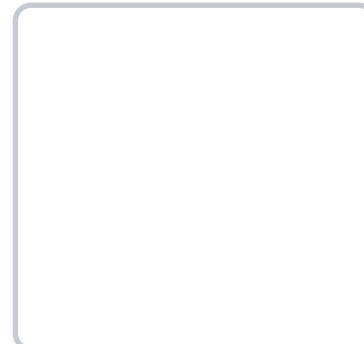

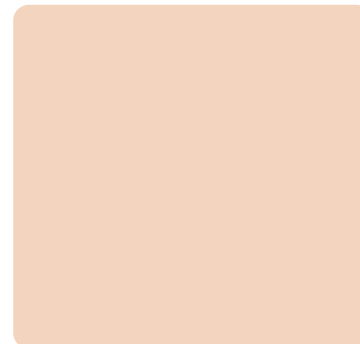

GAS MONITORING

SINGLE GAS MONITORS
MULTIGAS MONITORS
FIXED GAS DETECTION SYSTEMS
CALIBRATOR GASES & KITS

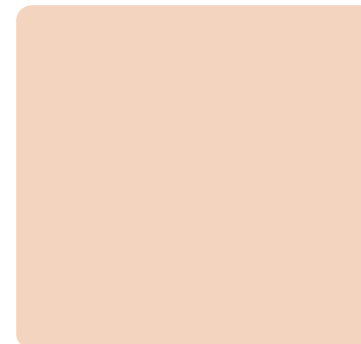

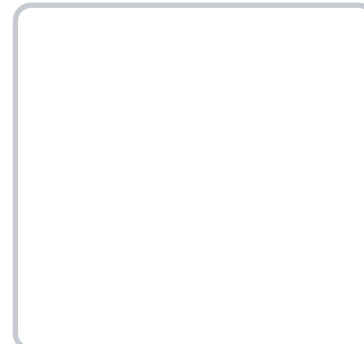

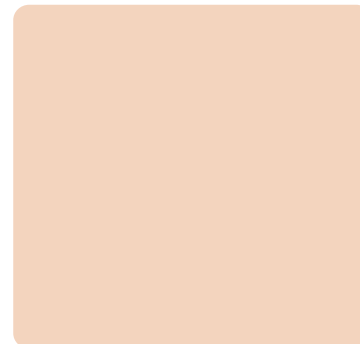

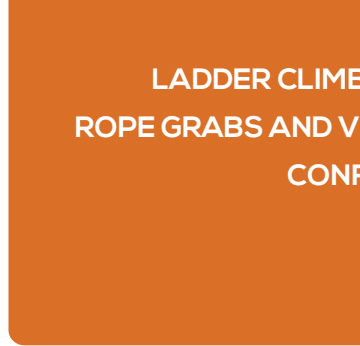

FIRE PROTECTION

FIRE FIGHTER PROTECTIVE CLOTHING
FLAME RETARDANT COVERALLS
FIRE EXTINGUISHERS
FIRE HOSE REELS
FIRE BLANKETS / FIRE BUCKETS
SMOKE DETECTORS

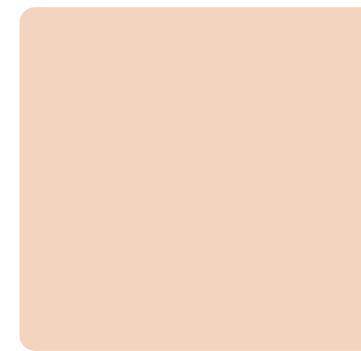

ROAD SAFETY

SAFETY SIGNBOARDS
HIGH VISIBLE JACKETS
REFLECTIVE TRAFFIC CONES
BARRIER NET & TAPES
WARNING & MARKING TAPES/BARRIER CHAINS
SPEED BREAKERS/WHEEL STOPPERS/ROAD STUDS
CONVEX MIRRORS
TRAFFIC BATON & FLASHING LIGHTS
DIRECTIONAL PANELS

ENVIRONMENTAL PROTECTION

SPILL CONTROL STATIONS
SPILL PILLOWS
OIL ABSORBENT PADS
HAZARDOUS WASTE BAGS
NOISE SURVEY EQUIPMENTS
WATER SURVEY EQUIPMENTS

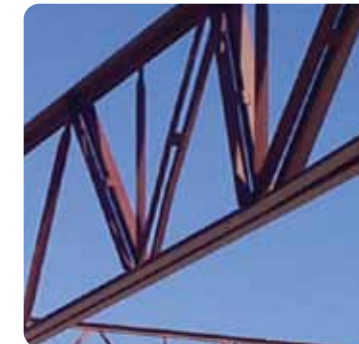

OILFIELD EQUIPMENTS

RING GASKETS
GATE VALVES/BALL VALVES/NEEDLE VALVES
FLANGES
HAMMER UNIONS
ANTI-SLIPPERY MATS
RUBBER PRODUCTS
CENTRALIZERS
CEMENTING PLUGS
THREAD COMPOUND

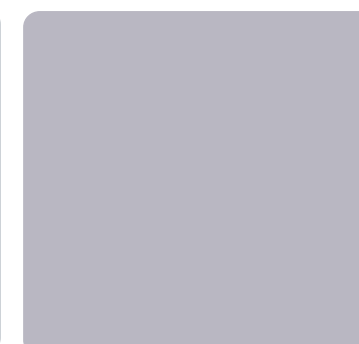

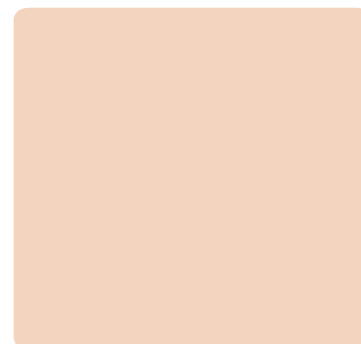

LIFTING AND LOADING EQUIPMENTS

WIRE ROPE AND CHAIN SLINGS
SHACKLES, HOOKS AND TURN BUCKLES
VERTICAL & HORIZONTAL PLATE CLAMPS
POLYESTER WEBBING SLINGS
JACKING EQUIPMENTS
WINCHING AND HOISTING EQUIPMENTS
MATERIAL HANDLING EQUIPMENT
LOAD RESTRAINTS

INDUSTRIAL PRODUCTS

STRUCTURAL STEEL
HYDRAULIC HOSES & FITTINGS
WATER BASE DEGREASER / RIG WASH
WELDING ELECTRODES
PORTABLE WELDING SCREENS
WELDING CURTAINS & ACCESSORIES

MARINE EQUIPMENT

LIFE JACKETS & LIFE BOUYS
LIFE SAFETY NETS
IMMERSION SUIT
EXPLOSION PROOF LIGHT
SOLAS TAPES
WINCHES & WIRE ROPES,SHACKLES AND ACCESORIES
OIL SPILL RESPONSE EQUIPMENT
MARINE HOSES
MARINE FENDERS
SORBENTS & SPILL CONTAINMENT
BINOCULAR ,GPS,NAVIGATION LIGHTS & COMPASSES
MERCHANT FLAGS
SIRENS

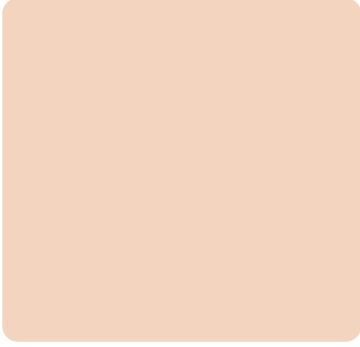

GENERAL CONSUMABLES

HAND TOOLS
POWER TOOLS
CUTTING AND GRINDING DISCS
WD40, CRC CO, LOCTITE, SILICON SEALANT
COTTON RAG
TARPAULIN
STUD BOLT,NUTS & WASHERS
PAINT AND PAINTING ACCESSORIES
BELTS- V BELTS
INDUSTRIAL FILTERS
TAPE-INSULATION TAPE, MASKING TAPE, DUCT
TAPE, DOUBLE SIDE TAPE, FOAM TAPE
REFRIGERANT GAS- R22, R134, R404, ETC
COPPER TUBE AND FITTINGS

ELECTRICAL & PLUMBING EQUIPMENT

CABLES AND WIRES
CONDUIT AND ACCESSORIES
SWITCHES AND WIRING ACCESSORIES
LIGHT AND LIGHT FITTINGS
FANS
SWITCH GEARS
GI CABLE TRAY ,TRUNKING,CHANNELS

WELDING EQUIPMENT

GAS REGULATORS
WELDING ELECTRODES
WELDING CABLE & CONNECTORS
ELECTRODE OVENS
WELDING CUTTING,HEATING SET
CUTTING NOZZLES,TIP & FLASH BACK ARRESTOR
WELDING ELECTRODE HOLDER & GROUND CLAMPS
COLLET,COLLET BODY,SHORT BACK CAP,
TIG TORCH
AUTO DARKENING HELMET
WELDING MACHINES
EARTH CLAMP
LEATHER WELDING APRON,LEG GUARD,HAND SLEEVE
WELDING UMBRELLA
WELDING HELMET
TWIN LINE WELDING HOSE
PORTABLE GAS PIPE CUTTING MACHINE
WHEEL BRUSHES,CUP WIRE BRUSHES,
HAND WIRE BRUSHES,FLAP WHEEL,
STRINGER BEAD KNOT WHEEL WIRE BRUSH
DIAMOND CUTTING BLADES
FLAP DISC,EMERY DISC

OUR BRANDS

LIFTING TACKLES

NYLON SLINGS
